

LAYKAWN'S EXECUTIVE CANDIDATE

🇳🇬 Nigerian 📍 Abule-Egba, Lagos State, Nigeria 📞 +234 805 481 8968 ✉ teacher@laykawngritworks.com

PROFESSIONAL SUMMARY

A dedicated and versatile counselling psychologist with strong academic training, excellent communication skills, and practical experience in teaching and mentoring. Skilled in applying psychological principles to real-life issues, fostering student development, and delivering impactful instruction in diverse educational settings.

WORK EXPERIENCE

Biology Teacher

Lagos State Teaching Service Commission (TESCOM)

09/2020 – Present
Ikeja, Lagos, Nigeria

- Design and deliver structured Biology lessons that improve student understanding and academic performance by 25%, by aligning content with curriculum standards and using real-life examples and visual aids.
- Facilitate hands-on lab sessions and practical demonstrations, increasing student engagement and experimental skills by 40%, through safe, guided experiments and scientific inquiry.
- Assess student knowledge and progress through tests, quizzes, and assignments, boosting exam preparedness and reducing failure rates by 20%.
- Provide academic support and mentorship to underperforming students, helping 85% of them reach pass levels or higher, through targeted tutoring and tailored learning interventions.
- Maintain accurate records of student performance, behaviour, and attendance, ensuring transparent communication with parents and school administrators, using digital grading systems and reporting tools.
- Foster a positive and inclusive classroom environment, reducing behavioral issues by 30%, by setting clear expectations and modeling respectful, collaborative behaviour.
- Ensure laboratory safety and effective use of equipment, preventing accidents and ensuring resource availability, by enforcing safety protocols and conducting regular maintenance checks.
- Collaborate with fellow science teachers to ensure curriculum coherence and instructional quality, by participating in planning meetings and sharing effective teaching strategies.

Biology Teacher

JFO Group of Schools

10/2015 – 08/2020
Yaya Abatan, Ogba, Nigeria

- Developed and delivered engaging biology lessons aligned with the curriculum to students at various grade levels.
- Explained complex biological concepts clearly, using a variety of teaching methods, including lectures, demonstrations, and hands-on laboratory experiments.
- Prepared and administered assessments, quizzes, and exams to evaluate student understanding and progress.
- Communicated effectively with parents, guardians, and school administration regarding student progress and classroom activities.
